- Mandala

PROFILE

I am an aspiring Full Stack Web Developer with foundational knowledge of React.js and Node.js and hands-on experience through personal projects. Coming from a commerce background, I bring strong analytical thinking and a structured approach to problem-solving. I am passionate about building responsive and user-friendly web applications and continuously improving my technical skills. As a fresher, I am eager to learn, adapt, and contribute to a professional development team where I can grow and add value. Currently seeking entry-level opportunities in Full Stack or Web Development.
